Please participate, we need your support to make Virginia's book the finest in this series of books.

You will be returning three things to the Virginia Division Sons of Confederate Veterans Arcadia Book Committee:

1. Text page (word document or legibly hand written) with information about the photograph you submit for publishing.
2. Photograph for publishing, preferably a color copy of photo, even if a black and white photo. This can be done at an office store such as Office Max, Staples, or Office Depot. Walgreens, Eckert drug stores and others also have photo copiers which can enhance and correct photo blemishes. This will provide the best possible photo copy for the publication.
